A Delightful Experience in Every Bite.....!

KROWN Biscuits started way back in year 1981 in capital of India, Delhi as a small organization and today after 4 decades we are among one of the most popular and leading biscuits manufacturers in Northern India. Presently we are having multiple production facilities across Delhi NCR with a vast distribution network across Northern and Central India.

Apart from marketing our products in domestic markets, we have been exporting to various countries across the globe.

Our commitment towards quality and world class infrastructure, we have been Awarded various Indian and International quality certifications.

Apart from making biscuits for our own brand **KROWN**, we are also doing contract manufacturing for several well **KNOWN** Indian and multinational brands.

We at **KROWN** our committed towards excellence in making best quality products and complete customer satisfaction.

Baked with Warmth of Heart....!
